

## Saturday Trail Clean up Event

**Nov. 15, 2014**

Trail work at the Lake Calavera Preserve on this date will include the following trail work:

- Installation of gravel bags for erosion protection
- Post-n-rail fencing
- Erosion repairs
- Litter pick up

The city will provide a work plan and safety training at the start of the event along with tools, gloves, water and snacks.

Please wear close-toed shoes, sunscreen and a hat. In the event of rain, trail work will be cancelled.
